This is an ongoing project. As a result, some editing is not in a final format. There may be errors. Consider them to be my fault. Cut-outs are shown by a photo of a piece of scrip. An index may be found at the end of the document.

If there are any corrections, additions, or comments, please forward them to me or the website editor. Do not attempt to modify this document. I will try to update the listings on an as needed basis.

I hope that you find this work to be of some help.
